

Snowshoe The Wildcats!

Strenuous Hike | 10 participants/hike

Join us for a special Winter snowshoeing trip up the face of Wildcat Ski Resort via the Pole Cat trail to summit Wildcat D, and continue across the ridge all the way to Wildcat A, returning the way we came and snowshoeing down the resort ski trails to finish. This is a special FRIDAY hike because we want to be to the resort early and with less of a crowd since uphill access is only allowed before the resort opens at 8:30 AM. Detailed schedule will be released prior to the trip!

Distance
9.25 miles

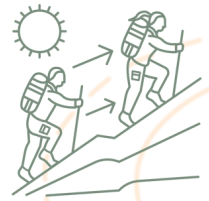

Elevation Gain
3,881 ft
